

# The Roehl Report

February 2003 Ministry and Prayer Updates

## *Assessment Training in Portland*

Tim's CRM Multiplication team has a great ministry called "Matrix" which trains leaders from organization over a period of two years in church multiplication strategies. Tim assisted three of his teammates in training leaders from several states on assessment strategies at an event in Portland. Tim taught from the materials he has co-authored...it is exciting to see how helping leaders find their best "fit" in ministry is catching on in so many denominations! An extra treat was seeing his good friends Derry Long and Keith Dickerson out there.

## *Assessment Training at Hosanna*

Tim assisted his friend Jim Griffith in doing assessment training for leaders from several denominations in Minnesota at Hosanna! Lutheran Church. Tim enjoys his continuing ministry relationship with this great church.

## *Pastors/Wives Conference & Vennard*

Tim and Shirley enjoyed attending the Pastors/Wives Conference for our North Central Conference in Iowa. We enjoyed traveling with Vernon and Donna Mae Aarnes. Vernon has been a wonderful influence as a mentor in Tim's life for many years. We also got to spend some time with Aubrey and watch her team present their ministry report of their Brazil trip during a chapel at Vennard College. God is raising up some sharp leaders at VC!

## *Coaching*

The ministry of coaching continues to be a rich experience. Tim began a new coaching relationship with a church planter from Iowa this past month. It is rewarding to come alongside to help gifted leaders fulfill their vision to reach people for Christ.

## *Bridgewood Leaders*

Several churches support our ministry, for which we are grateful. Tim recently spent an evening with the Leadership Community of Bridgewood Church, (one of our supporters) pastored by Tim's good friend Tom Stuart. Tim led them through "Patterns of Leadership." We had a great time together!

## *CRM Super Week Training*

CRM has some outstanding training available for leaders. Tim recently spent a week in Los Angeles during a CRM "Super Week" (many training tracks going on at the same time). Tim attending a one day event on ministry in a changing culture and then five more days learning how to help leaders through a "refocusing" process both for themselves personally and for their churches.

## *Book Updates*

Tim has gotten word from several places around the country of how his books have been a blessing to others. One pastor from the Chicago area wrote to tell him that a Mormon woman he's been ministering to read Tim's "*Surprised By Grace*" twice...and wanted to know the guy (she meant Jesus) the book was about! Helping people "see" and know Jesus is a great joy to Tim! Pray with him for a publishing connection for two more books he has ready to go.

## *Family News*

*Time with Tim's folks* Our family recently enjoyed spending some time with Tim's folks. We did some "cultural" things--visiting some history exhibits and just being together. We're glad we have family close enough to do things with like that.

*Family Birthdays*—Tim and Elise celebrated their birthdays March 6<sup>th</sup> and 9<sup>th</sup>. Elise is now sweet 16!
